INTERNSHIP EXPERIENCE

IT Technical Support | *University of Mindanao – ICT Department* **June 2025 – July 2025**

Internship, Davao City

- Assisted end-users in person with technical issues related to workstations, printers, software, and network connectivity, ensuring minimal disruption to daily operations.
- Installed, configured, and updated Windows operating systems and software drivers for faculty and staff workstations.
- Diagnosed and resolved printer connectivity and driver issues on Windows and macOS platforms.
- Identified and corrected BIOS configuration errors; performed system reformatting and OS re-installation on non-functional units.
- Conducted Preventive Maintenance on laboratory computers, reducing hardware failures and extending equipment life span.
- Maintained detailed records of device serial numbers, hardware specifications, and task logs for accurate IT asset tracking.

Frontend Web Developer | *Jairosoft, Inc.* **March 2025 – May 2025**

Internship, Davao City

- Improved responsiveness and layout consistency of the Eingress Web System across multiple devices and screen sizes.
